2016

Welcome to a vacationland for nature lovers!

Regardless of the season, there is a reason to visit Cook Forest & Clear Creek State Parks. Whether it's to enjoy the splendor of the mountain laurel and rhododendron, see the spectacular fall foliage, or to play in a virtual winter wonderland, Cook Forest and Clear Creek are waiting for you!

Numerous family attractions, restaurants, shops, historic sites and accommodations are located within close proximity to the parks. Recreational opportunities are plentiful for all ages and interests.

- Explore an ancient forest.
- Bike on a scenic bicycle trail.
- Bird watching -- over 90 species have been identified throughout the parks.
- Hike on miles of trails fit for novice to the experienced hiker.
- Canoe, kayak or tube down the Clarion River, a nationally designated wild and scenic waterway.
- Spend the afternoon at a fun park and enjoy the water slides, go-karts, bumper boats, miniature golf and more!
- Geocaching, try your luck at finding one of our area caches.
- Go horseback riding along forested trails.
- Swim in the Clarion River.
- Plan your vacation during one of the many fairs and festivals. Visit a local flea market.
- Winter activities include cross country skiing, ice skating, sled riding, hiking and/or building a snowman for the Snowman Building Contest.

For your convenience, the Cook Forest Vacation Bureau has compiled this member business directory. For specific information or reservations, please contact the facility of your choice.

Interesting information ...

Cook Forest

Cook Forest State Park encompasses over 8,000 acres of vacation wonderland. Park Naturalists conduct free environmental interpretive programs year round in the park. The splendor of the Forest Cathedral, a National Natural Landmark is unsurpassed. The 200 to 350 year old trees in this area measure as much as five feet in diameter and tower almost 200 feet in the air. The Forest Cathedral is easily reached via Longfellow Trail behind the Log Cabin Visitors Center.

Visitors can enjoy this ancient forest on nearly 30 miles of hiking trails. Each of the 16 marked trails offers a unique outdoor encounter.

The Clarion River, a nationally designated Wild and Scenic Waterway, winds through Cook Forest State Park. Popular river activities include canoeing, tubing, kayaking, swimming and fishing. Northern pike, smallmouth bass, walleye, catfish, trout and all species of panfish are abundant in the river. A fishing area designated especially for children and handicapped visitors is located near the Cook Forest State Park office.

Seneca Point Overlook near the #9 Firetower offers a breathtaking view of the Clarion River Valley. The adventuresome can climb 70 feet to the top of the old #9 Firetower for an impressive view of the area.

Clear Creek

Clear Creek State Park covers 1,676 acres in the scenic Clear Creek Valley. Located just 11 miles from Cook Forest State Park, Clear Creek offers a unique outdoor experience. Hikers can explore the park on more than 15 miles of hiking trails. When in bloom, the beauty of the rhododendron and mountain laurel are unsurpassed. Many forms of wildlife inhabit the park including deer, black bear, turkey and grouse.

The Ox-shoe Historical Trail is a popular self-guided attraction affording a leisurely walk through the park. Scenic views of the area are available at Bear Town Rocks Trail. This trailhead is located near the entrance to Clear Creek State Park.

Opportunities abound for anglers in Clear Creek, where stocked and native brook trout can be found. Clear Creek, Callen Run and Clear Run are stocked with brook, rainbow and brown trout.
